COMPUTERCORP REBRANDS TO SYNERGY PLUS

Thursday, 22 October 2009

Dear Valued Client,

Change of Business Name – Monday, 2 November 2009

We are proud to announce that as of Monday, 2nd of November 2009 ComputerCORP (Operations) Pty Ltd will formally change the business name to Synergy Plus Operations Pty Ltd and we will be introducing our new corporate identity. Despite the name change, the company will continue to operate in its current structure and your contacts will remain unchanged.

“Synergy (from the Greek syn-ergos, συνεργός meaning working together) is the term used to describe a situation where different entities cooperate advantageously for a final outcome.”

Those of you who have been following the evolution of the company will know that ComputerCORP has come a long way since 1987 and we have expanded our capabilities to provide you our Client with tailored solutions. Our team is now able to provide a 360 degree service including product supply, professional services for solution deployment and managed services to monitor and maintain systems allowing you to focus on running your core business and not technology.

Following the acquisition of Synergy Plus in July 2009, and the expansion of our business capabilities, the company after much consideration has decided to rebrand as Synergy Plus. Our new name represents the company's strategic growth and is synonymous with integrity and professionalism which are the key values that our company is built on. The name change emphasizes our focus on green technology and solutions going forward and our ability to;

“Align technology with our clients business needs”

As of Monday, 2nd of November our web domain will change to www.synergy.com.au and e-mail addresses will change to firstname.lastname@synergy.com.au to reflect and strengthen the Synergy brand. The old e-mail addresses will continue to be operational for the foreseeable future.

Note: Our bank details remain the same however the account name has changed to reflect the new company name. Please ensure that you update your records accordingly.
